

I am a listener of AIR 1, and my teenage daughters are as well. We are inspired by the music as well as the messages shared. It also brings both national news and news that is of interest to Christians that we may otherwise miss.

If AIR 1 were to be displaced by an LPFM broadcaster providing other programming, it would be a huge loss to us personally as well as those others in our community who are benefitting. We know of many people whose lives have positively changed due to the message AIR 1 broadcasts.

The service provided by AIR 1 is not just listening pleasure. It is inspiration and positive input that isn't available on other stations. In a time when vulgar conversation is thought acceptable, we need desperately a higher standard. Please consider this carefully and keep AIR 1 on the air!

Thank you,
Mary Liggett
